

CNCC Spring 2021

Food Services Safety Plan

Updated 11/18/20

All residence hall students will participate in the dining hall meal plan. Meals will be available through dine-in and take-out options. Disposable single-use cups will be used with the fountain drink and coffee machines. Directional signage and social distancing signage will be posted. Plexiglas will be in place for the service stations and staff stations. The dining hall will be modified to accommodate six-foot social distance seating and times will be staggered to avoid peaks of heavy traffic. The dining hall will be sanitized and cleaned after each use. Hand sanitizer and self-service sanitizing materials will be available.
