

**Associate of Science
Paleontology
Two Year Plan of Study
(Craig Campus)**

FALL 1st YEAR

COURSE	TITLE	CREDITS	GRADE	NOTES
GEY 111	Physical Geology	4		
GEY 229	Paleontology Field Techniques	3		112 Field Hours, two months: Dig for Eocene fauna like turtles, crocodiles, mammals
ENG 121	College Composition I	3		
SS	Social and Behavioral Science course (from SS list)	3		
AH1-3	Arts and Humanities course (from AH list)	3		
		16		

SPRING 1st YEAR

GEY 112	Historical Geology	4		
GEY 230	Paleontology Lab Techniques	3		90 Curation Hours, 4 months: Hadrosaur, and Eocene fauna
ENG 122	College Composition II	3		
MAT 121	College Algebra (or other AS math course)	4		
HI1	History course (from HI1 list)	3		
		17		

Summer 1st YEAR

	Summer Paleontology Field Internship Available	3		112 Field Hours, two week dig: Mesozoic bone bed with sauropods, Allosaurs, and small critters
--	---	---	--	---

FALL 2nd YEAR

BIO 111	General College Biology I/Lab: SC1	5		
CHE 111	General College Chem I/Lab: SC1	5		
AH	Arts and Humanities course (from different AH category)	3		
SS1-3	Social and Behavioral Science course (from SS list)	3		
	Paleontology Field Internship Available	3		135 Field Hours over two months: Eocene
		16		

SPRING 2nd YEAR

BIO 112	General College Biology II/Lab: SC1	5		
CHE 112	General College Chemistry II/Lab: SC1	5		
COM 115	Public Speaking	3		
	Paleontology Research Available	3		135 hours over 4 months: Design and complete your research project on your favorite
		13
