Good Afternoon CNCC Students,

If you are receiving this email it is because you were in campus housing and may not have had a chance to return before Governor Polis and the State of Colorado issued a "Stay at Home" order. For some students that means that school materials needed for classes resuming Monday 3/30/20 might still be in housing with no way for you to come and get them.

CNCC has created a process that will allow CNCC staff to enter students rooms, collect, pack, and ship those schools materials to you. Please note this applies to essential school materials only, not personal items. Examples would be laptop, class books, notebooks, binders, flash drive, etc.

If you are needing these items please fill out the required form (link below) completely and be as detailed as possible as to where the items might be located and make sure to verify the shipping address.

If you have questions please contact:

- **Jen Rea** for the **Rangely Campus** at [Jennifer.Rea@cncc.edu](mailto:Jennifer.Rea@cncc.edu) or (970) 620-2267
- **John Anderson** for the **Craig Apartments** at [john.anderson@cncc.edu](mailto:john.anderson@cncc.edu) or (970) 824-1110

Please be patient as this is an unprecedented situation and CNCC is rapidly adjusting to meet our student's needs. Below is some information to get started, but please keep in mind this may change rapidly. Please keep checking your emails, our website at <https://cncc.edu/cncc-covid-19-updates> or give us a call at (970) 629-9401
