Residence Halls or Apartments: Students returning to housing on either campus will notice several changes. We understand some of these changes may be difficult on several levels, but again we are here to help. These changes include:

1. **Life in the residence halls** will be vastly different; there will be no gatherings in rooms or in the lobby. Students are expected to go their classes, grab food in the cafeteria and stay in their rooms in isolation. Students that insist on violating these rules will be asked to leave. (if necessary, additional staff will be employed to ensure that students are not gathering within the residence halls)
2. **Social Distancing Required:** 6 feet between people and limited contact
3. **Social Gatherings:** No gatherings of more than 10 permitted.
4. **Practice Good Hygiene** – Wash hands with soap, refrain from touching your face, sanitize commonly touched surfaces (cell phone, door handles, etc.) Clorox Wipes are available in Campus Life in the Johnson Building on the Rangely Campus and in the Administrative Office with John Anderson on the Craig Campus.
5. **Food Services:** Meals/Food Services will be provided, but there have been changes:
 - a. **Bruch and Dinner:** Only two meals a day:
 - b. Brunch 11:00 AM to 1:00 PM
 - c. Dinner 5:00 PM to 7:00 PM
 - d. **Take Out Options Available**

- 6. **Student and Housing Codes of Conduct:** All standard codes and policies still apply. Additional steps will also be taken to promote wellness, including:
 - a. **Health Monitoring:** Students were screened upon entering residences; however, CNCC will continue to monitor our students' health and wellbeing. If you do not feel well, please contact Jen Rea or John Anderson Immediately!
 - b. **Quiet Hours** – Extended to 24 Hours for all Resident Halls and Apartments to comply with Social Distancing Recommendations
 - c. **Visitors:** All visitors (family, friends, etc.) are prohibited from campus unless approved. Please contact Campus Life for information.
- 7. **Room Reassignments:** There will be reassignments of rooms to accommodate social distance requirements, allow for deep cleaning, and promote health and wellness. Ross Hall will be devoted for isolation/quarantine purposes as a precautionary measure in partnership with our local hospital and health officials if needed.
- 8. **Limited Public Access:** During this time, members of the public will not be allowed on campus unless authorized. This includes family and friends.
- 9. **Campus Activities, Athletics, and Events:** All on-campus student activities and sporting events have been canceled for the remainder of the semester.
