Position Overview

We are a well-established private dental practice seeking a hygienist for a part-time, two day per week position. Your primary focus will be to provide superlative patient care while educating your patients to strive for healthy home maintenance while staying on track with their in-office treatment needs.

Responsibilities and Qualifications

We believe in fostering an environment where there is a shared passion for exceptional dental care. This quality of care extends to being a kind, respectful, and thorough yet gentle hygienist who believes in maintaining and building positive relationships. The respect you show to your patients will be shown by performing stellar hygiene while also respecting each patient's time, space, privacy and individual needs. It will also be shown in your interaction with your coworkers in your tone and words, your willingness to carry your own load, and your willingness to step-up and step-in when needed. Your respect to the doctor will be shown in how you choose to interact with patients and others about him and to him both in front of other people and in confidential conversations with him. Your respect for the office will be shown by not gossiping in or out of the office and in keeping all office conversations and interactions, patient privacy, and any interpersonal relationships within the office confidential. As such, we are a patient centered, close knit team that truly believes in supporting each other.

As a valued member of our team, you will see that we value the safety of our employees as well as that of our patients. Our infection control and COVID-19 standards are exemplary.

Patients are generally scheduled Tuesday through Friday. No weekends.
