Position Overview Long-term Hygienists! Great Team of Doctors! Amazing Staff!

Greeley Dental Health, an established and busy family dental practice located near the UNC campus is growing and will add a full-time Dental Hygienist, 4 days per week. We have a positive and upbeat work environment and are hoping to find someone enthusiastic about patient care who is dedicated to their profession and enjoys being a team player. Our hygiene team consists of long-term professionals who truly love what they do and our doctors are some of the best in the business. They are easygoing and make coming to work each day enjoyable. Our entire team has been together for quite a while - turnover is RARE! Come be part of our family.

Responsibilities:

- Provide direct patient care in all dental periodontal services in which you are licensed to perform.
- Assess caries risk and provide preventive recommendations.
- Provide oral health education including at-home care.
- Proficient in obtaining dental radiographs and intra-oral scans/photos.
- Keep updated and thorough treatment records such as existing restorations, periodontal charting, planned treatment, etc.
- Present treatment plans.
- Follows infection control protocol by preparing and sterilizing instruments, equipment, and operatories.
- Make patient comfort your top priority - put the patient first!

We offer a complete benefits package, a 401K with matching, PTO, Paid Holidays, 2- hours of CE per year, AND Ownership opportunities - apply today to learn more!

Responsibilities and Qualifications

- Active CO Dental Hygiene License
- Local Anesthesia Permit
- CPR-BLS Certified
- 1+ years of experience preferred (but not required).
