Virtual Everything!

Hello Spartans!

Hoping you are well and coping with the various degrees of seclusion around the country.

CNCC has been virtually running ragged completing virtualization of everything possible to honor our current students and graduates and recruit our future Spartans. My photo to the right is from virtual college decision day, last Friday - taken in my backyard. Links to the virtual honors ceremonies are below.

The virtual graduation ceremony link will be shared on our [Facebook](#) page, YouTube channel, and [website](#) in the coming days. Check out fabulous photos of our graduates throughout this week on Facebook. Check out our [YouTube channel](#) to see messages from our students and virtual tours of campus!

Finally, we are participating in #GivingTuesdayNow tomorrow, May 5. Donations are currently being accepted and will be through the end of the week. Click the link on the photo below for more information.

If you would like to keep up with what's going on with campus due to the COVID-19 pandemic, go to <https://cncc.edu/cncc-covid-19-updates>. All communications are being shared there to keep everyone up to date.

If you're able, consider donating to our COVID-19 Relief Fund today. Every bit helps, especially with the matching and incentive funds available now. Your gift will go directly to the Student Scholarship Fund to help students return next year and complete their degree/certificates. This year our scholarship fundraiser was moved to a virtual format and raised less than

50% of our average scholarship fund. This in a year when many students and families have increased needs. Please help if you can. [Donate here.](#)
